# Extended Warranty Program Registration Form

Your FRANCE Lighting Solutions LED purchase comes with our standard 5-year product warranty and a 1-year labor warranty. Please see complete warranty details at www.sfeg.com/france/warranty. To take advantage of our extended warranty, please complete this Extended Warranty Program Registration Form and click submit (or you may fax or email-see instructions below). We will return a confirmation and registration number for your records, along with instructions on how to file a claim if needed.
